Cody,

I will have them continue to patrol. FYI, the supervisor's name is Donte. For any security issue, you can call them directly at 310-303-4471.

Holland has installed fencing around the perimeter of the 550 PV jobsite. I spoke with a PBID officer today but if they can continue to make their rounds during this transition period it would be very much appreciated.

Today we only had one individual who would not leave the jobsite. PBID officer spoke with the individual and they got them to relocate.

Appreciate the help,

Cody Strange
